Using Multisource Feedback to Assess Resident Communication Skills: Adding a New Dimension to Milestone Data
Ochsner Hospital for Children is proud to be part of the national Children’s Oncology Group (COG) – a NCI-funded, multicenter research group enabling us to use the same treatment protocols and clinical practice guidelines used at all major pediatric cancer centers across the country.

Available to meet patients’ needs for the following diseases:

- Leukemia and Lymphoma
- Central Nervous System and Spinal Cord Tumors
- Bone and Soft Tissue Tumors
- Pediatric Kidney and Liver Tumors
- Germ Cell Tumors
- Neuroblastoma
- Sickle Cell Disease and Thalassemia
- Hemophilia and Clotting Disorders
- Thrombocytopenia and Platelet Dysfunction Disorders
- Anemia and Red Blood Cell Disorders
- Neutropenia and Neutrophil Dysfunction Disorders

To initiate a hospital transfer or phone consult with a physician 24/7, contact the Regional Referral Center at 1.855.OHS.LINK (647.5465).

For fast track appointment access to any Ochsner clinic, contact the Ochsner Clinic Concierge, our dedicated physician referral line, at 1.855-312.4190.
